LS2 Mobile Features

Once **LS2 Mobile** is installed you will have access to the following features, if enabled by your library:

- **Title search** – Type the title or author in the search box. Click *Search*. The results list is returned with related titles and RSS feeds. Click on a title to view the title details page.
- **Access your account** – Click the *Account* icon at the bottom of your device. Type your Library ID and PIN. Your ID will be retained after the first inquiry. Under *Account* you can access your current loans, review the status of your requests/holds, or view fines.
- **Renew an item** – Click *Account* and once logged on, click *Loans*. Find the title you want to renew and click the *Renew* button.
- **Place a request/hold** – After locating the item, click the title and then click the *Request/Hold* button on the title details to save the item. If not already logged on, you will be asked for your library account information. Check the status of the item in your account information under *Request/Hold*.
- **Feeling adventurous?** Give your device a shake! A title will be randomly selected for you from your library's suggested title list.
